✅ Do's

1. Solve problems from easy to hard. Code what you know first.

2. Understand the time restrictions.

3. Listen carefully and attentively to the questions posed by the interviewer.

4. Test your solution in front of the interviewer.

❌ Don'ts

1. Don't be late for the interview. Reach atleast 15 minutes prior.

2. Don't lie about your skills. It will eventually show up during problem solving.

3. Don't beat around the bush. If you don't know the answer, be straightforward.

4. Don't leave without asking questions.
